

Why choose **CROW SAFETY GEAR** restraints?

Trusted Reputation & Experience

CROW is a legacy company founded by Fred Crow, who brought more than **55 years of hands-on experience** to manufacturing the finest, most innovative automotive safety equipment in the industry. His mission was simple and unwavering: **Keep racers safe.**

Today, his family proudly carries on those values.

Proudly Made in the USA

CROW designs and manufactures **high-quality, American-made restraint systems**—all produced **on-site in Las Vegas, Nevada.**

- Computerized sewing machines ensure precise, consistent stitching.
- Premium **military-grade nylon webbing**, manufactured in the USA.
- Built to meet the demands of real racers, not just minimum standards.

Personal Service & Support

CROW believes safety deserves personal attention.

- Our phones are **always answered by knowledgeable staff.**
- We're here to help with questions, fitment, and system selection.
- **Custom restraint systems** are available to meet specific needs: Racing, Hot Rods, Off Road and Experimental Aircraft.

Quality You Can Trust. Value You Can See.

- Proud **SFI Manufacturing Member, Past SFI Board Member.**
- Every order ships with the **latest SFI-dated tags**—always.
- **CROW recertifies restraint systems**, extending safety and value.

The real question isn't why choose **CROW—it's why would you choose anything else?**
